

**NOTICE OF  
CENTRAL BANK'S APPLICATION TO APPOINT LIQUIDATOR FOR BRITISH-AMERICAN-INSURANCE COMPANY (TRINIDAD) LIMITED (BAT)**

BAT advises that the Central Bank of Trinidad and Tobago (the Central Bank) has, on the 23 January 2026, made an Application for Leave to petition the Court for the winding up of British American Insurance Company (Trinidad) Limited (BAT/ Company). This has become necessary at this time because of the financial position of the Company.

BAT has been insolvent from 2009 upon the collapse of CL Financial Limited, and became indebted to the Government of Trinidad and Tobago (GORTT) for its financial Bailout, which protected the interest of BAT's Policyholders and Investors. Without the settlement of BAT's claims against CLF Liquidators, the Company does not have the assets to be able to repay its debt to GORTT arising from the said 2009 Bailout.

GORTT's 2009 bailout ensured sufficient funds that allowed BAT to provide uninterrupted service to its Policyholders under the astute leadership of its caretaker Board and Management, and Central Bank's oversight and supervisory guidance.

**BAT's Policyholders will continue to be serviced in the usual way during the upcoming liquidation process.**
